

# THE 5 COLOUR GOSPEL KEYS

Discovering the keys to life

# THE GREEN LEAF

symbolizes God's awesome creation of life. We see leaves everywhere in the world. Leaves from the same tree might look alike, but when we look closer, we will be amazed to discover that each one is designed differently.

It is a picture of God's wonderful creation and how each person is uniquely created. It is meant to tell us that God loves us and desires to give us happiness in life.

# THE GREEN LEAF

But very often we do not acknowledge God, even in light of seeing His creation each day.

What's the problem?

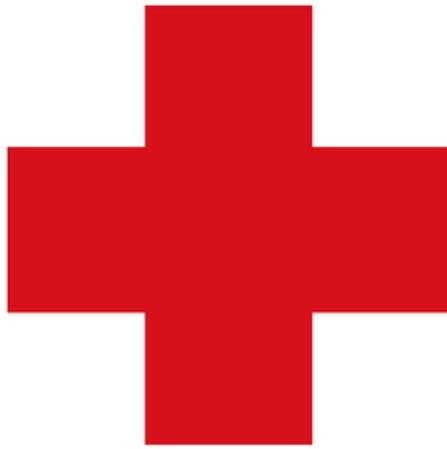

## THE BLACK CAGE

symbolizes bondages in life. A bird's sense of happiness comes from being able to fly freely - in the forest and in the plain wide open sky.

But when they are kept in a cage, there is no freedom and happiness is lost. It is a picture of man. Instead of happiness in life, there's the hold of darkness. It is a picture of feeling trapped, hurt and depressed, guilty and alone.

Sin brings bondage and ruin in all realms of life - spiritual, emotional, and physical.

### What's the solution?

## **THE RED CROSS**

symbolizes hope in life.

We often see the symbol of a cross at the hospital. People go there in hopes of fixing their physical illnesses; wanting to be well is a human desire.

Similarly, when people want freedom from the bondage of sin and healing from all that sin has damaged, they go to the cross of Jesus.

On the cross, Jesus took care of the root problem of man's misery - sin. He took all of man's sins upon himself, was nailed to the cross, died, was buried, and rose again.

What is the hope? Sins are wiped away, sinners are forgiven, captives are set free, healing is possible, and life is restored.

## **THE WHITE SNOWFLAKE**

symbolizes a blessed new life.

Once again, we look at another unique creation of God. When fresh snow falls, even the air we breathe is fresh.

When we look at snowflakes, we find that every one of them is designed differently, yet all are just as pure and beautiful.

## **THE WHITE SNOWFLAKE**

The Bible says, “If anyone is in Christ, He is a new creation, the old has gone, the new has come.”

It carries a message that the stains of sin are washed away and life is restored to be beautiful again, just as God designed it to be.

Every person who accepts Jesus as their personal Saviour and Lord will experience a blessed new life.

What is the conclusive message of this new life?

## **THE GOLDEN KEY**

symbolizes assurance in life.

At the end of the day, we will go home. To have a key to go home is to have the assurance that we have a home we can return to.

We can travel freely and with a secure mind knowing that at the end of a journey, whether it's a luxurious trip in a beautiful holiday spot or an economy backpack day trip to the countryside, we have a home to go back to.

When we believe in Christ, we are given the right to become God's children. God is our heavenly father. So when our earthly journey ends, we go home to heaven.

## THE GOLDEN KEY

There is no hurry to go home though. We go when it is time, and when it is time, we go in peace. This is an assuring hope.

The key symbolizes the secret of how to reach the desired goal. We have a “master key” to open the door to lead to every one of our desired goals on earth.

Jesus Christ is the master. The key he gives us is the master key - good for heaven in the future and good for every area of life on earth.

The key is His gift of the assurance of life both now and in the future. I invite you to receive with thanksgiving this precious gift of life. Hold on to the key and become God’s child.

Now we can pray by faith to invite Jesus to come into our lives to be our Saviour and Lord.

“Dear God, thank you for loving me even though I have ignored you for a long time. I realize that I need you, and I want to return to our rightful relationship. You are the creator, and I am your creation. I confess that I have sinned against you and others and now ask you for your willing forgiveness.”

"Holding this key, I now invite Jesus to come into my life to guide me everyday. Please help me to turn away from doing wrong things and guide me in how to live my life better. Thank you for inviting me to be your child. I'm glad heaven is now my eternal home.

I also acknowledge that Jesus is the Lord of my life - to guide me for the rest of my journey on earth, to live according to your truth, and to live worthy of the grace you have given me. In Jesus' name I pray, Amen."
